

Welcome! to the first Llandaff North Residents' Association newsletter. If you have a query or issue you'd like to raise, please contact us (see below).

Our aim is to improve our area and facilities. We do this by holding regular meetings and work with the council, police, local councillors, MP and AM. We also hold volunteer events where we do some work ourselves. To remain viable we need a strong membership (which is free!), so please support us by joining.

Come to one of our meetings

The big issues...

Old NatWest bank, Station Rd.

There is a current planning application to enlarge the building for a busy national retail unit, which could have consequences for Evansfield Rd and the wider area due to traffic/congestion issues.

We are holding a public meeting 7.30pm Tuesday 15th June 2010 at Llandaff North community centre, Hawthorn Rd East.

Hawthorn Junior School

Following the council planning committee last year rejecting the Council's plans to demolish this beautiful building, the council are still reviewing their options. We'll keep you updated via the website. In the mean time, please keep displaying your posters and we'll continue the fight for this well loved landmark.

Proposed merger with Llandaff

Did you know there are current proposals to merge the wards of Llandaff North and Llandaff, and call us Llandaff? At our AGM, residents unanimously voted against the merger and we have written to the Local Government Boundary commission for Wales submitting our views. There are several stages of consultation. Visit our website for more information.

Current plans for flats in Radyr Rd.

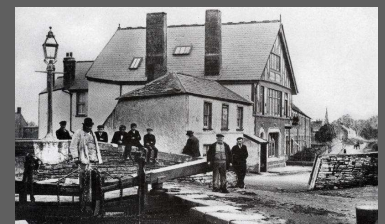

Local residents are campaigning hard against the planning application.

A Photo History of Llandaff North

An illustrated talk by Roger Brind

7.30pm Friday 25th June at Llandaff North Community Centre, Hawthorn Rd East.

Come along and find out more of our fascinating history. Refreshments served. All welcome.

Cow and Snuffers and Pineapple Row

History coffee morning

10.00am Friday 11th June at Llandaff North Library. Calling all residents, past and present, to discuss LN's history, with the aim of forming a Llandaff North history group. For more info contact LN Library.
