Volunteer events

We held 6 events during May where we cleaned up the grassy area opposite the Cow and Snuffers. LNRA members worked with LN Christian centre and council park ranger Gareth Stamp litter picking and painting the metal fence as part of the Ignite Hope weekend. We've received lots of positive feedback from residents and shows what we can achieve by working together! A big 'thank you' to all who helped.

In the autumn we plan to plant up the area as a community garden. If you have ideas for other voluntary projects in LN, please get in touch. We will be advertising more events in future – just turn up!
